# P538: Weekend for Recorder Players

## Polyphonica Recorder Trio

**Polyphonica** Recorder Trio was formed in 2006 and has since performed at venues across the UK and Europe. Three gifted musicians come together in this trio to show the recorder at its best, delighting audiences with performances of the instruments' rich repertoire from medieval through to the present day.

**NB: If you would like to know of other courses or talks run by this tutor, perhaps even during the same visit, please check our website or contact the office.**

## Course details

This course is a must for all recorder lovers!

There will be the opportunity to work in ensembles of various sizes and also to further develop technique.

There will also be the option to take individual coaching with a member of Polyphonica and hear them perform on the Saturday afternoon.

Unfortunately this course is not for complete beginners and participants are encouraged to bring recorders of different sizes.

## Materials, Equipment & Supplements

Please bring your recorders, a music stand and any sheet music that you would like to work on as an ensemble or individually.

If you choose to take individual coaching please come with music that you are working on or have questions about.
