

SOCIETY OF RECORDER PLAYERS

EDINBURGH BRANCH

The Branch closed the session with a Carol evening in 18 Reginton Crescent last night, with about 60 members and friends present.

In the candlelit room the carols with recorder accompaniment produced a real effect of Christmas. The programme included two delightful lesser-known carols, an old German one "Mary in the Thornwood", and one from the Appalachian Mountains, "See Jesus the Saviour".

It is gratifying that the interest in recorder playing is growing in Edinburgh, and new players will be welcomed on 13th January.
