

Annual Report

To 30th Sept. 1946.

REPORT FOR YEAR

The programme for the 1945/46 session ran more or less according to pattern. On the usual high lights starting off with the annual playing day at Kelso arranged by Brian Bonsor and the Roxburghshire Branch.

The Autumn also brought us a pastoral visit from Brian Bonsor - very much enjoyed and appreciated by the Edinburgh members and some guest players invited for the occasion. The music studied in preparation for the special Christmas and Summer Evenings included Fugues by Baroque Masters, two sonatas by Lagrenzi, Canzona on Ruggiero by Frescobaldi together with many arrangements by our conductor. The Branch was also indebted to the London Branch for the loan of music from their library.

The membership of the branch was slightly up on last year and quite a number of guest players were welcomed throughout the year. X X X X X

Edinburgh must be one of the few branches holding weekly meetings. This is possible only through the cooperation and planning of our two conductors and our sincere thanks are due to them.

Since Christmas the members have enjoyed a short break for a cup of tea during the course of the evening. This has proved successful in enabling members to get to know more than just the person on each side of them.

Attention is drawn to the fact that the members should be notified of any changes in the programme, please contact the person in charge of the arrangements.
