Data Protection

Because the Society prepares its membership list on a computer but currently uses that list only for communicating with members the Data Protection Act 1998 does not apply to the list. The only personal information held by the Society is that which appears in the membership list. The list is distributed only to members of the Society for personal use and is not used or distributed by the Society or Branches for any commercial or other purpose.

BRANCH MUSIC LIBRARY

We have an extensive music library which we need to find a new home for – can anyone suggest a suitable location? It needs to be in or near Brentwood so that it is accessible when we need it for meetings, and be clean, dry and secure. This will be discussed during the AGM.

Bass recorder: The branch has a bass which is available for members to borrow, either to play at a meeting or to take home to practise. Please contact Madeline if you would like to borrow it.

VISITORS

Visitors are welcome to make 3 visits per year, after which we hope they will become members of the branch. Children aged 11-14 may attend 3 meetings as visitors, provided they are accompanied by an adult member of the branch. A member should bring only one child visitor at a time. Subject to the discretion of a committee member, children may become junior members of the branch. They must be accompanied by an adult member at all times. They must be able to play treble or tenor as well as descant.

Child Protection Policy

Whilst most members of the SRP are adults, the Society recognises its responsibilities to ensure that when children are included in any of its activities their safety is explicitly considered. To this end, people

organising such activities for or including children must ensure that a child is not left alone with a single adult and that no lessons, where a child is left alone with an adult, are organised for children as part of an SRP activity. Occasionally SRP members are asked to recommend recorder teachers for children. If they pass on the names of teachers they will make it clear to parents that :

- (1) the SRP takes no responsibility for the quality of any such teacher
- (2) the SRP is not able to comment on whether or not the teacher has been DBS checked.
