Park Hall is close to the centre of Harpenden. It is only 1 minute's walk from the bus stop for service 321 from Watford and 5 minutes' walk from the railway station.

There is a small car park behind the hall and another belonging to 'Busy Bees' that you may use next to the hall. If you are fit, you might drop your recorders off and park without charge at Rothamsted Research, some 6 minutes' walk to the south.
