Dear All

Our meetings for June to September 2018 are listed above and will be in Park Hall in Harpenden. The hall is open to us from 2.00 pm to allow us to put out chairs and tables. We must leave at 5.45 pm having put away the chairs and tables in their original places. Please help with these tasks if you can.

The hall's car park currently has space for 14 cars—in addition to the mayor's space where you may not park! If all the spaces are full when you arrive you may park without charge in the space owned by 'Busy Bees' nursery school, adjacent to Park Hall, or in the visitors' car park at Rothamsted Research. If you use either private car park then please display a slip bearing the SRP logo. Alternatively, you might find space in West Common on the approach to Rothamsted Research.

*Music Library.* The branch has a large library of music, and we welcome suggestions for items to play. So look through the catalogue and tell Hilary Worsfold, our librarian, what you would like in future programmes.

*Conducting workshop.* The branch has arranged for Moira Usher to run a beginners' workshop for would-be conductors. The date is 29 September, and the venue St Stephens church hall, Watling Street, St Albans. There are places for both trainees and players. See the separate note.
