

Report for Somerset SRP meeting, June 16th 2018. Conducted by Joyce Rudall

Inexplicably the original report has got mislaid, so here is the interim – or possibly final report from the meeting. First a list of the music played:

Bull/Farnaby	2 Tudor self-portraits.
Byrd (unbarred)	Ave Verum Corpus
James Carey	Step stately number 1
Gounod	Petite Suite - Andante cantabile
Marg Hall	Monkey business

Joyce set a few challenges – both to the group and to herself – as you can see from the list above, we had a noble attempt at the Ave Verum, Byrd, from the centrespread of the magazine, which was an unbarred version of the piece. It was interesting to play and did make us focus more on the phrasing. We also played the latest centrespread by Marg Hall – a great fun piece to play and much more straightforward to conduct! Teas were ably made by Sue (W) and Gill, and the meeting was well attended.
