

EASTERN RECORDER ORCHESTRA

Application form 2018/19

We process information to enable us to administer our activities. It is a condition of EROS that each member has, or has access to an email address as all communications between rehearsals are by email. Therefore by joining EROS you consent to having your email stored and used regularly by the administrators. (Please see separate privacy policy for more information) As we change instruments between pieces, you must be prepared to move seats. If this is difficult for you, please ensure that you state this on the application form and we will work round you.

You have to attend 6 of the 9 rehearsals in order to be able to play in the concert.
