**SRP workshop
SWING DAY with David Moses**

Saturday 2nd May 2020

Bentley Village Hall

Bentley Village Hall (IP9 2DW) is 1 mile from the A12 near Ipswich.
The venue is ground floor only and is wheelchair friendly with disabled parking and disabled toilet.

Visitors and members from other branches and non SRP members are especially welcome.

The day runs from 10 – 4.30 with breaks for drinks and lunch at 1pm

Come and spend a day exploring swing style!

During the day we will work on two written arrangements from the swing era. Both arrangements have sections that allow for improvisation but nobody will be required to play solo if they don't wish to! You will learn some of the simple tricks and structures which make 'free' improvisation much easier than it might appear. In both pieces we will try to incorporate some rhythmic patterns which musicians of the swing era would typically use.

David Moses has vast musical experience from playing in an RAF band, in swing bands, as a session musician, as part of a BBC TV studio team and as a teacher. He has always composed and recently turned his attention to the recorder. For further information, see

Please bring all the recorders you play – large ones are particularly welcome – and a music stand
