Dream Angus

Can ye no hush your weepin'
all the wee lambs are sleepin'
Birdies are nestlin' nestlin' together
Dream Angus is hirplin' oer the heather

Dreams to sell, fine dreams to sell
Angus is here wi' dreams to sell
Hush ye my baby and sleep without fear
Dream Angus has brought you a dream my dear.

List' to the curlew cryin'
Faintly the echos dyin'
Even the birdies and the beasties are sleepin'
But my bonny bairn is weepin' weepin'

Paul Clark

All who knew Paul Clark will have been saddened by the news of his death last November. Paul was perhaps best known for his work with the Society of Recorder Players, for his teaching on various courses and summer schools, and for his many fine compositions and arrangements. He was an honorary member of the Birmingham Branch. We are playing his arrangement of *Blow the Wind Southerly* in his memory.

This year we would like to support The Society of Recorder Players Walter Bergmann Fund. We hope you will give generously.

The Society of Recorder Players Walter Bergmann Fund exists to help young people in their development as recorder players. This can take the form of financial assistance or the loan of instruments. Recently, grants have been made towards the cost of tuition, purchase of instruments, course fees and examination fees, Groups may also apply for assistance with educational activities promoting recorder playing. Awards are available to applicants up to the age of thirty years and will usually only be made if there is evidence of financial need. There is no lower age limit.

*Meetings of the Edinburgh Branch of the SRP will resume on
Monday, 22 September 2014*
