www.srp.org.uk

Registered charity No. 282751

**Helen is an experienced recorder player, teacher and conductor. Her main focus is working with adult players of all abilities, regularly coaching SRP branches and teaching on weekend courses throughout the UK*

Details & booking form

Date: **Saturday 9th April 2022, 10:00am – 4:00pm**

Venue: **Matson Baptist Church, Gloucester, GL4 6LA**

Please bring your own packed lunch. Hot drinks will be provided at lunchtime and in the morning and afternoon breaks. During the afternoon break we will be sharing a cake to celebrate C&G branch's 40th anniversary!

You are free to play any recorder you bring.

Not all pieces include a descant part, so if descant is your main instrument, please bring another to play, or be prepared just to listen for that piece.

Don't forget your music stand!

All in all it should be a great way to celebrate 40 years of C&G SRP!

Priority booking for members and friends closes at midnight 12th March. Thereafter booking is open to others. Please email the booking form to lmh7@btinternet.com , and **either**

- Make a BACS payment (preferred), using the same details as your annual subscription. Please email the address above if you need these details.
