Society of Recorder Players Somerset Branch
 (Registered Charity No. 282751)

To celebrate our 50th Anniversary We have a Playing Day with Steve & Ann Marshall Saturday 15th April 2023

Steve & Ann are possibly the most well known couple in the recorder world; their combined efforts to bring playable music to all levels of ability has been an ambition of theirs and it seems they have been and continue to be an unqualified success.

They are very well known on the conducting circuit and also run recorder courses for a variety of playing abilities. More than sixteen years ago they set up the May Hill Edition through which their prolific publications are available. This they finally handed over to Recorder Music Mail giving them more time to do what they love best - composing music!

Both are very competent recorder players; music, in many guises, is an important part of their lives, even more so since their retirement from busy professional careers. They set up the Orchestra on the Hill in 2008 to provide a recorder orchestra experience for players of modest technical ability. It started as a tentative experiment but has blossomed into a regular and friendly ensemble of about 30 players; they do not work towards public performances, but exist purely for the pleasure of playing music. This is another way in which they try to make recorder playing inclusive to those with more limited skills.
