SRP Bath Branch Playing Day with Anna Stegmann

Saturday 6 February 2024 10.30am-5.00pm

Southdown Church, The Hollow, Bath BA2 1NJ.

Amsterdam and London

Anna Stegmann is a passionate performer and educator of early contemporary recorder music. She is recorder professor at the Royal Academy of Music in London, and a regular guest teacher at Wells Cathedral School and Jackdaws Music Educational Trust.

Anna enjoys conducting and leading groups of all abilities and enjoys working with adult amateurs. In this capacity, she has led workshops,

masterclasses, and conducted recorder groups for Recorder Courses Lyme, Airforce UK, Recorder Summer School, Easter Early Music School, LIFEM, Blokfluitdagen Mechelen, Orpheus Recorder Boutique and many more. Since 2013 she has co-organised ORDA, Open Recorder Days Amsterdam; a biennial recorder festival which has quickly grown into one of the biggest recorder events worldwide and brings together both amateurs and professionals, from all over the world.

In 2020 Anna established her own digital recital series, and has completed two seasons of recorder solo and chamber music. These professionally filmed music videos aim to make performances accessible to audiences that are unable to attend live concerts and to bring the listener closer to the performer than is possible in a conventional live-stream.
