

SRP workshop
Growth of The Blues 1920s – 1960s with David Moses

Saturday 25 May 2024 10 – 4.30 coffee from 9.30

Bentley Village Hall

Growth of the Blues

The soul searing vocal and guitar music of the very earliest blues is not really something recorder players can aspire to. This one-day course joins the story as jazz & jug bands began to play the blues, and follows its development at the hands of jazz and pop musicians. You will learn the simple structure of the “12 bar blues” and follow its development over a period of 40 years.

Bentley Village Hall (IP9 2DW) is 1 mile from the A12 near Ipswich.
The venue is ground floor only and is wheelchair friendly with disabled parking and disabled toilet.
Visitors and members from other branches and non-SRP members are especially welcome.
The day runs from 10 – 4.30 with breaks for drinks and lunch at 1pm

Please bring all the recorders you play – large ones are particularly welcome – and a music stand

David Moses has vast musical experience from playing in an RAF band, in swing bands, as a session musician, as part of a BBC TV studio team and as a teacher. He has always composed and has now turned his attention to the recorder.

Please bring a packed lunch. Drinks available all day
