## **The workshop**

Gabrieli's 2 and 3 choir canzonas are masterpieces of polychoral music full of light and shade, grandeur, dancing rhythms and singing melodies. During the course of the day, we will study, in depth, some of the finest of these. As well as conducting, the tutor will give some historical and musical background to this fascinating repertoire.

## **The tutor**

Andrew Collis is a freelance musician living in West London specialising in playing and teaching recorder. As a performer he plays solo recorder works and duet as "Duo Ricercare" and with "The Stanesby Players", "Linnet Baroque" and performing with guitar, harpsichord, viola da gamba and triple harp, covering a wide range of music from Medieval to Jazz and Contemporary. His repertoire extends to performing with recorder consorts and chamber groups.
